# INDIANA STATE LAW CONCERNING USE OF PARTY LINES IN CASE OF EMERGENCY

A Statute enacted by the 1955 Indiana Legislature makes it unlawful to misuse party line telephone service in cases of emergency. An emergency is defined in the law as "a situation in which property or human life is in jeopardy and the prompt summoning of aid is essential." The law, in part, reads as follows:

Section 2. It shall be unlawful for any person using a telephone on a party-line to refuse to yield such party-line, when requested to do so, to any person who wishes to place an emergency call from a telephone on such party-line. Any person who violates the provisions of this section shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding twenty-five dollars to which may be added imprisonment in the county jail for any period not exceeding ten days.

Section 3. It shall be unlawful for any person to obtain the use of a telephone on a party-line by falsely alleging the existence of an emergency. Any person who violates the provisions of this section shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding twenty-five dollars to which may be added imprisonment in the county jail for any period not exceeding ten days.

## How to Use a DIAL TELEPHONE

### WHEN DIALING

- 1. Look in the directory for the correct number.
- 2. Listen for the "dial tone." This steady humming sound tells you that the dial equipment is ready for your call.
- 3. Place your finger firmly in the opening for the particular letter or figure desired. Pull the dial around until your finger strikes the metal finger stop. Then, release the dial and allow it to return without interference.

# RECORDING TELEPHONE CONVERSATIONS

("Beep" Tone)

If you hear a "beep" tone at fifteen-second intervals, you will know your telephone conversation is being recorded. This signal is transmitted automatically when a recording machine is connected to the line. It is for your protection.

If you do not want a record made of what you are saying, ask the person with whom you're talking to disconnect the recording machine. The "beep" signal stops when the recorder is disconnected. Use of a recorder without this signal is contrary to company tariffs and is not permitted.

## To call ANOTHER PARTY on your line

If you want to know who else is on your line, dial "Operator" and ask her for "Repair Service." "Repair Service" will tell you who they are.

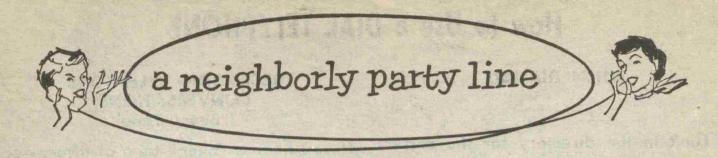

Party line customers, when calling another party on their line, dial a special code number to ring the desired telephone—not the telephone number as listed in the directory for that party. "Repair Service" will be glad to tell you what that code is. Just dial "Operator," and ask for "Repair Service."

Give "Repair Service" your telephone number and the name of the party on your line you wish to call. She will then tell you the proper code number to dial. Make a note of that code number for future use.

### HOW TO PLACE YOUR CALL

- When you hear the dial tone, dial the code number for the party you are calling.
- 2. After you have finished dialing, hang up your receiver. This will allow the other party's bell to ring. And at the same time your bell will also ring.
- 3. When ringing stops, you will know that the other party has answered. Remove your receiver and proceed with conversation.

If your party does not answer within a reasonable period, remove your receiver momentarily in order to clear the line.

Just as much as the people next door or across the street, the folks on your party line telephone are neighbors. The best party-line service for all depends on courteous, cooperative use of the line by all. Here's how you can do your part.

## How to be a GOOD TELEPHONE NEIGHBOR in 6 Easy Lessons

### **Answer Promptly**

This will insure receiving all calls intended for you and will prevent possible annoyance to another family on the line.

### Take a Breather

A "breathing spell" between calls gives your neighbor a chance at the line. It also permits incoming calls to come through.

### Listen Before Using

Make certain that the line is free before attempting to call a number. And try not to interrupt your neighbors' conversation. When you find the line already in use, the neighborly way is to hang up gently.

## Replace Receiver Properly

If you don't, the line is just as "busy" as if someone were talking on it. Incoming calls are blocked; and eventually no one can reach the operator.

#### Tell the Children How

Teach 'em young how to use the telephone-to be considerate of others on the party line . . . not to talk unnecessarily long.

### **Give Way in Emergencies**

If your neighbor says the line is needed for an emergency, cut the call short and give the right-

of-way. Doing so may help save life or property.

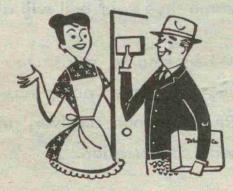

## You May Telephone Telegrams

You may telephone telegrams, cablegrams or radiograms to the Western Union

Telegraph Company.

Charges for telegrams, cablegrams or radiograms placed by telephone will appear on your monthly telephone bill by arrangement with Western Union. On messages telephoned from public coin box telephones, you will be requested to deposit the telegraph charges in the coin box.

#### FOR YOUR PROTECTION ..... Our Employees Carry This

All telephone employees carry an official identification card like this. They all understand you don't care to let unidentified people enter your home. So they'll gladly show you their card before coming in. Just ask to see it if you have the slightest doubt about anyone who calls "from the Telephone Company." Check the picture on this official card to assure yourself the bearer is a bona fide telephone company employee.

PRESENTING THE

# Princess phone

IT'S LITTLE . IT'S LOVELY . IT LIGHTS

A bedroom beauty—a living room lovely! The new Princess phone is a decorator's dream in beige, white, pink, turquoise and blue. Petite, compact-a space-saving treasure! And you'll love the light-up dial-a soft glow in the dark-till you lift the phone-then a brighter light to make dialing easy.

To order the "Princess" just call or visit your business office. Or ask a telephone installer. It costs only pennies a day after a one-time charge.

P.S. A Princess in your kitchen will make you feel like one too!
